Together in Silent
Solidarity & Prayer for
Discernment, Peace &
Transformation

The [Leadership Conference of Women Religious](#) invites you to 24 hours of contemplative prayer throughout the days of the National Election.

These days of prayer are open to all, bridging the divide between culture, religion and politics through the witness and commitment women religious make to the power of collective contemplation.

There will be no presentations or comments during the virtual gathering. To participate, log in, and join women religious from around the world as they pray in silence.
