

## A Documentary Narrated by Cokie Roberts

Presented by the Leadership Conference of Women Religious

**W**omen & Spirit: Catholic Sisters in America is a documentary that narrates the virtually untold story of women who exercised leadership at a time when few women enjoyed such possibilities. Theirs is a story of quiet courage during many dramatic moments in US history. Discover more about these innovative women who helped shape the nation’s social, cultural, and spiritual landscape.

This DVD, which sells online for \$19.95, includes the 56-minute documentary, a study guide, a digital exhibit, and videos from the traveling Women & Spirit exhibit, which showed at the Smithsonian, Ellis Island, and other noted museums throughout the country.

This is an excellent tool for educating boards, employees, and the public about the Catholic sisters whose pioneering work included the provision of education, healthcare, and social services over the years for thousands.

Proceeds from the sale of this DVD will support the mission of the Leadership Conference of Women Religious. Order online at <https://lcsr.org/item/women-spirit-dvd>
