**Presenter: Kathleen Pruitt, CSJP**

This event is designed for leadership personnel, justice promoters, and communication personnel. It will be a time for us to recall and to strengthen the deep grounding of our work for justice and peace-making in the heart of the gospel message and to remember and experience the essential relationship between contemplative consciousness and prophetic action for justice.

Our time together will include presentation, individual and communal reflection and contemplation, courageous conversation, and time for fellowship. Refreshed and renewed through the strength of the gathered community we will return to our ministries with our imaginations stirred and our hearts more firmly rooted in the heart of the Divine.

*Sister Kathleen Pruitt is a member of the Western Region of the Sisters of Saint Joseph of Peace. *Sr. Kathleen has served as Province Leader of the Sisters of St. Joseph of Peace, Western Province and in the presidency of the Leadership Conference of Women Religious (2000 to 2003).
