

Charities and Nonprofits Need Relief Now

Charities and nonprofits are on the frontline responding to our neighbors and communities in need during the COVID-19 pandemic even as they face the risk of catastrophic damage from evaporating revenue, new and rising demands for assistance, and major disruptions in charitable giving.

Please join our colleagues at Catholic Charities USA and [tell Congress to act](#) now to provide emergency aid to nonprofit organizations by providing charitable organizations with grants, loans, and tax credits.

We pray with Pope Francis for wisdom for our elected leaders: “Enlighten those responsible for the common good, so that they might know... how to care for those entrusted to their responsibility.”
