

Laudato Si' Week: Another World is Possible

Pope Francis has invited people of faith and good will everywhere to participate in [Laudato Si' Week](#), May 16-24. Join us as together we reflect, pray, and prepare for a more just and sustainable tomorrow. As a leading partner in this global initiative, LCWR invites you to stand with us as we seek to build a better world together.

We're living in historic times. The COVID-19 pandemic has turned our world upside down and taken far too many of our friends and family members. People everywhere are crying out for hope. We know we can do better. Laudato Si' teaches us how to build a better world—together. For Laudato Si' Week, May 16-24, Catholics and other people of faith are uniting in solidarity for a more just and sustainable future.

Join our sisters and brothers for Laudato Si' Week to build on our precious connections to each other and all creation. After you [register](#), be sure to mark your calendar for these important dates:

- May 16-23—Reflect and prepare through online trainings.
- May 24—Participate in a worldwide day of prayer to mark the fifth anniversary of Laudato Si'.
- May-September—Prepare for action during the Season of Creation, 1 Sept-4 Oct, 2020.

This moment challenges us to stand together and to pledge again to build God's beloved community and to proclaim anew, "We believe another world is possible!" We invite you to accept the invitation of Pope Francis and join people of faith around the world as together we reflect, pray, and celebrate Laudato Si' Week.
